I. Church Officers

Section 1 – Lead Pastor/Elder

The Lead Pastor/Elder is to be a man having the Scriptural qualifications as outlined in 1 Timothy 3:1-7 and Titus 1:5-9. He is responsible to be the Lead Elder among the Elders, Deacons, and congregation for the purpose of fulfilling the mission of the church. As an Elder, the Lead Pastor shall lead the Elders and Deacons in the spiritual oversight of the church as described in Sections 2 & 3.

1. When a vacancy occurs for the position of Lead Pastor/Elder, the church shall elect a Pastoral Search Committee consisting of five church members who broadly represent the congregation. This committee shall bring only one man at a time to the church for consideration.
2. Upon recommending a potential candidate, the congregation must vote by ballot. A 75% majority vote or higher is required of members present to bring a prospect in view of a call. The members of the church will be notified in writing at least one week in advance of the prospect coming in view of a call.
3. He shall be either an ordained Southern Baptist pastor or be eligible for ordination by this church, in full agreement with the Southern Baptist program.
4. To constitute a call, an affirmative vote, by ballot, of 95% of the active members present is required.
5. The Pastor and his wife shall automatically become members of the Church upon his taking up duties as Pastor.
6. His salary and fringe benefits shall be determined by the elders of the church, stipulated in writing and made available to the members prior to a vote for his call.
7. The Lead Pastor/Elder shall serve until the relationship is terminated by his request or by the request of the church.

Pastoral Benefits:

Income

Living Stones shall work toward the goal of fully supporting the pastor and family financially in line with median income for the Brighton area. This shall be accomplished through income increases as the church grows and faithfully gives to support the work of the ministry.

The pastor, in cooperation with the Elder Team, shall determine the allocation of his income into the following categories: Salary, Housing Allowance, Insurance, Personal Expense Account, Retirement. He shall do so by annually submitting this allocation to the Elder Team after each annual business meeting and prior to the Calendar year.

Time Off

The pastor is expected to take one full day off weekly and another day off in full or in increments as much as possible. It is recognized that as long as he is bi-vocational, this will limit his time available for ministry but is necessary for personal and family well-being. In addition to this, he may take traditional holidays off as desired.

The Elder Team will oversee this part of the pastor's life with the intent of encouraging him to balance ministry, work and family as the Lord leads.

Vacation

Time off from ministry is a vital part of a pastor and family's health and well-being. The pastor shall receive three weeks paid vacation his first year of service, four weeks paid vacation each year thereafter. The elder team can also consider addition time off with pay as deemed necessary for the pastor and family.

Conference Leave

The pastor shall receive one full week of paid leave plus travel time for an annual conference of his choosing. This time is intended to provide him with the opportunity to be ministered to and encouraged in his ministry.

In addition, Pastor Brian Russell shall receive one full week of paid leave plus travel time for the annual RHMA conference as required by the mission.

Missions

The pastor is encouraged to lead and/or participate in mission trips as God leads with the Living Stones church family. In doing so, the Elder Team will consider the church funding the pastor's trip in part or in full as funds allow.

Termination of relationship:

1. The pastor may relinquish his position by giving a four-week written notice to the church at the time of his resignation.
2. In case of moral and/or doctrinal impropriety as determined by the Elders, the pastor will be subject to immediate removal from authority as deemed necessary by the Elders dependent upon the nature of the impropriety. In such case, the Elders

will first seek the counsel of the Mile High Baptist Association. If deemed necessary, the Elders will present the pastor to the congregation for termination of his position and membership.

Section 2 - Elders

Elders are men who provide spiritual oversight for the people of Living Stones. The term ‘Elder’ is used throughout the New Testament to indicate spiritually qualified men appointed by the local congregation to provide spiritual oversight. Traditionally the term ‘pastor’ is used in churches; however, the Bible lists ‘pastor’ as one of many spiritual gifts and ‘Elders’ as men who are appointed to provide spiritual oversight (many of whom will likely have the spiritual gift of ‘pastor’). Therefore, a person with the gift of pastor might not serve as an Elder and a person serving as an Elder might not have the gift of pastor.

Spiritual oversight – Elders are entrusted with the spiritual care of Living Stones under the headship of Jesus Christ. They are ‘undershepherds’ serving Jesus, the Chief Shepherd. Great responsibility is entrusted to them; therefore, God has clearly defined their role and standard of godliness. A broad summary of their role is:

1. Protecting the flock (God’s people face many spiritual dangers)
2. Feeding the flock (God’s people need good Biblical teaching)
3. Leading the flock (God’s people need guidance in their pilgrimage)
4. Caring for practical needs (God’s people need unconditional care)

These men are called of God to serve the Lord alongside the Lead Pastor/Elder in sacrificial ways that enable them to honor the Lord with family, work, and ministry.

Those aspiring to Eldership must follow these guidelines:

1. Must be an active member of the church for at least 6 months
2. Must be considered first by the Lead Pastor/Elder and Elders according to the Biblical qualifications
3. Must be called by the congregation according to congregational polity of 75% or higher

Termination of Elders:

1. An Elder desiring to relinquish his position must give at least a two week written notice to the Elder team.
2. In case of moral and/or doctrinal impropriety as determined by the Elders, the Elder will be subject to immediate removal from authority as deemed necessary by the Elders dependent upon the nature of the impropriety. If immediate removal is *not* deemed necessary, the fallen Elder shall step down from his position for a period of six months at which point the Elder team can reconsider presenting him to the congregation for vote. He must be called by the congregation according to congregational polity of 95% or higher.

Some Key Biblical chapters relating to Elders: 1 Timothy 3; Titus 1; Philippians 1; Acts 6 & 20; Hebrews 13; 1 Peter 5

Section 3 - Deacons

Deacons are men who perform ministries of deeds and mercy that free the Elders to provide spiritual oversight. The term ‘Deacon’ is used only in a few places in the New Testament when referring to an appointed position, and often used in describing the general work of serving others.

Many, like the Elders may have the spiritual gift of ‘pastor’ but often find that gift coupled with a great interest in service, mercy, and meeting physical needs of the church. Note that the fourth role of Elder is that of ‘Caring for Practical Needs.’ It is often the Deacons whom the Elders will turn to in ensuring the fulfillment of this calling.

These men, while appointed as spiritual leaders by the congregation, are called to assist the Elders who are entrusted with the spiritual oversight of the church.

There is difference of opinion among churches and church denominations as to the function of Deacons. We believe our model accurately reflects the overall picture of church leadership demonstrated by the Apostles and New Testament churches. While the Apostles appointing men to ministries of deeds in Acts 6 isn’t proof that this was the first appointment of Deacons, we believe it likely is and at least a good model for ministry. In addition, it is clear in Scripture that local churches had a plurality of Elders and Deacons. The pattern in the New Testament is that while both are called to ministry of the Word and of deeds, the Elders are men whom excel in the ministry of the Word while the Deacons are men who excel in the ministry of deeds.

Biblical study reveals that in the two places Scripture mentions Deacons in the context of a position held in the local church (Phil. 1:1 & 1 Tim. 3:8-13), no description of their duty is given. Therefore, we must conclude that the original recipients of these letters must have already known their origin and responsibilities. It is interesting to note that Irenaeus (A.D. 130-200), bishop of Lyons

in Gaul (modern France), clearly identified the men appointed by Apostles in Acts 6 to be Deacons¹. If we follow this model, Acts 6 is the best picture of what role Deacons fulfill in order to bless the local congregation.

Though Acts 6 doesn't provide 'the' list of duties, we see some things in Acts 4 & 6 that the Apostles likely entrusted to the seven men they chose as ministers of mercy:

1. Collect money and goods for the needy (Acts 4:34-37; 5:2)
2. Distribute money and goods to the needy (Acts 4:35)
3. Coordinate the church's charitable services (Implied in Acts 4)
4. Perform/oversee service ministries (Acts 6)

Deacons are appointed by the Elders according to their Biblical qualifications.
Deacons are subject to removal from their position as deemed necessary by the Elders.

Section 4 – Treasurer

The church Treasurer is a man or woman who receives, preserves and pays out all money of things of value paid or given. He/she shall make available to the church each month and present in each quarterly business meeting an itemized report of the receipts and disbursements of the preceding month/quarter.

He/she shall be presented to the church by the Elder team annually and can only fill the position by congregation polity of a 75% majority vote or higher of members present. He/she is subject to membership guidelines in Article II.

Section 5 – Clerk

The church Clerk is a man or woman who: keeps an accurate record of all official actions of the church; keep record of membership and baptisms, issue letters of membership transfer and keep record of such, prepare an annual letter to the Mile High Baptist Association, the Colorado Baptist General Convention, and the Southern Baptist Convention; delegate clerical responsibilities to members of the church as approved by the Elder team; acknowledge that all church records are the property of Living Stones Community Church and be given to the Eldership team when position is relinquished.

He/she shall be presented to the church by the Elder team annually and can only fill the position by congregational polity of a 75% majority vote or higher of members present. He/she is subject to membership guidelines in Article II.

II. Membership Guidelines

Section 1 – Biblical conviction

We believe there are at least six Biblical principles regarding church membership:

1. Membership says, “I belong here,” and the Bible says that believers belong together (Hebrews 10:23-25). To become a member is publicly saying that you are committed to God’s work through His church.
2. Membership says, “We share the same ministry goals,” and the Bible says that believers are to be committed to one another for the sake of spiritual impact (Ephesians 4:16). To become a member is publicly saying that you are willing to join other believers in the mission of the church.
3. Membership says, “I accept responsibility for a group of fellow believers,” and the Bible says we are to bear one another’s burdens (Galatians 6:1-2, 10). To become a member is committing to share in the lives of other believers.
4. Membership says, “I am accountable to mature brothers and sisters in Christ for my walk with God,” and the Bible warns against spiritual autonomy (Hebrews 13:17, Matthew 18:15-20). To become a member is publicly saying that you are open to the spiritual guidance of others.
5. Membership says, “I accept responsibility for the way things are done in a local church,” and the Bible says we are to be responsible in our service (1 Corinthians 12:20-27). To become a member is publicly saying that you want to have responsible input into the direction of the church.
6. Membership says, “We as a church want to function legally,” and the Bible says we are to obey the laws of the government (Romans 13:1-7, 2 Peter 2:13-17). Church membership says we are responsible in having credible membership.

We believe church membership is a practical way to both affirm those who call Living Stones their church home and to foster like-mindedness. Church membership is about building unity not limiting ministry.

Section 2 – Becoming a member

To become a member of Living Stones Community Church a person must:

1. Be a born again believer in Jesus Christ, God’s Son
2. Have followed the Lord in Believer’s Baptism by immersion
3. Indicate to the Lead Pastor/Elder that he/she would like to become a candidate for membership by either: Profession of faith, a letter from another church of like faith, personal statement that you come from another church of like faith
4. Complete a Membership Application
5. Be 18 years of age or older to be a voting member or 16-17 years of age to be a non-voting member
6. Meet with the Lead Elder/elders to discuss things such as the mission, beliefs, values, vision, and policies of LSCC
7. Complete a Membership Covenant
8. Be presented to the congregation at the recommendation of the Elders for a congregational vote according to the church constitution

While we affirm and welcome non-members to participate in our worship services, home groups, and other ministries, we do not allow non-members to hold official positions. In addition, holding other positions/ministries associated with the church must be approved by the Elder team. The intention is to protect the church, not to limit one’s ministry.

Section 3 – Discipline & Termination of membership

Membership shall be terminated in any of the following ways:

1. Transfer of membership letter to another church of like faith
2. Exclusion by action of the church due to church discipline as set for below
3. Evidence of membership in another church
4. Inactivity for 6 months or more with no contact
5. By written request from the individual desiring to terminate his/her membership
6. Death

Church discipline shall follow Matthew 18:15-17, always with the goal of restoring a member living in overt sin that negatively affects the church body under the leadership of the Lead Elder and Elders. A member officially put under church discipline shall be approached by an Elder. If he/she refuses to listen, the Elder team shall attempt to restore him/her. If he/she refuses to listen, the Elder team shall present him/her to the church in a called meeting. If he/she is not present or refuses restoration, the Elder team shall dismiss the person from membership in the church.

A dismissed person, upon his/her request, may be considered again for membership upon evidence of restitution, repentance, and by fulfilling all membership requirements listed above.

The written opinion should be obtained within 24 hours of when the ministry leader first becomes aware of the alleged abuse or molestation, and the attorney's advice should be followed. If the attorney recommends that an incident be reported, the advice should be acted upon immediately.

Decisions concerning the ministry's response to the allegations will be made in accordance with such advice.
3. A single organizational leader will be designated as spokesperson following notice of any abuse or molestation in connection with activities of the ministry. This spokesperson will be the only person to convey information concerning the situation, and (to avoid compromising any ongoing investigation) will convey only such information as is necessary under the circumstances.

Annual Employee/Worker Review:

1. This policy and procedures will be conveyed for review annually to all workers, employees, coordinators, supervisors, and leaders to whom it applies.
2. All ministry employees will complete a brief 'Renewal Application' once each year. A renewal application will also be completed annually by all volunteer workers associated with the organization who will be working in any capacity with nursery, children, youth or the disabled.
3. Should the renewal application show that any employee or volunteer worker has become unsuitable for working with children, youth, or the disabled, they will be immediately removed from their current position, and will not be considered for other positions involving work with nursery, children, youth, or the disabled.

Revision of Policy/Procedures:

Policy and Procedures

All nursery workers are subject to ‘Policy/Procedures Statement for Employees & Volunteers’

Nursery Workers

Nursery Coordinator – this person is responsible to:

- Ensure the Policy and Procedures are followed
- Ensure the nursery room is set up for Sunday services as well as other church ministry events where staffed nursery is made available
- Ensure that qualified workers are serving on a rotating schedule for Sunday services
- Frequently be one of the two (minimum) adult workers in the nursery
- Ensure that the nursery equipment is clean and safe

Nursery Workers – these people are responsible to:

- Be responsible to work on their days scheduled
- Communicate their absence to the Nursery Coordinator with as much notice as possible.
- Follow the Policy and Procedures manual
- Follow the Additional Policies Specific to Nursery

Additional Policies Specific to Nursery

Anyone working in the nursery must have signed a workers statement and been approved by ministry leaders.

The nursery coordinator, though not likely an employee, will not only complete a worker’s statement *but also* have a background check performed through a state law enforcement agency.

Two approved workers must be in the Nursery at all times. If two are not available, staffed nursery will not be made available. However, the nursery room can be set up for parents *to be with their* infants during ministry hours.

If not enough children warrant nursery being staffed during ministry functions, only the parents/guardians of children may be with *their* own children to use the nursery room.

Admitting & Dismissing Children (Also see the Policy and Procedures Manual)

Only the parent, guardian, or person approved by a parent/guardian of that child can admit or pick up that child.

Children in diapers must be left with baby changing items such as diapers and wipes.

Worker Verification

I agree to abide by all policies and procedures of the organization, and to protect the health and safety of the children in nursery during my time of providing care.

V. Financial Policies

The following is the Living Stones Financial Policy, adopted on November 7th, 2004:

Contribution Policy

1. The church will receive tithes and offerings at regular church gatherings. Offerings should be placed in a private and safe place until it is counted. At the conclusion of the service/meeting, two non-related individuals shall privately count all gifts and record all known contributors. At no time shall the funds be counted by one person alone, or counted at a location other than where collected.
2. The treasurer will ensure that annual financial statements are sent to contributors of any single contribution greater than \$250.
3. Gifts to the church designated for the use of a specific individual or individuals are to be discouraged. Such gifts, if received, will not be reflected on the donor's record of contributions.
4. The church will accept most types of non-cash gifts. A letter from the church will be sent to the donor, acknowledging the date of receipt and providing a brief description of the property or items donated. However, the acknowledgment letter will *not* provide an estimated fair market value of the property donated and neither will the donor's record of contributions reflect receipt of the non-cash gift.
5. To be included in a given year's record of contribution, the contributions must be received by Dec. 31 or if mailed, the envelope must reflect a postmark no later than Dec. 31.
6. The value of time or services contributed by an individual to the church will not be assessed by the church or posted to the donor's record of contribution.

Treasurer Responsibilities

1. Keep accurate records of the church financial accounts.
2. Maintain contribution records for all donors and send out contribution statements to individuals contributing \$250 at any one time during the year.
3. Disburse payments as directed by the church budget
4. Present financial reports to the church

VI. Business Meeting Protocol (To Be Developed by Elder Team and presented to congregation)
